TRAMPLR XR

SPORTS TOURING RADIAL

ALPHA-H1

THRILL UP YOUR BEAST

DESIGNED ESPECIALLY FOR

The ones who set out and don't stop through changing weather and road conditions. The seekers of thrill. The ones who go the extra mile for an adrenaline rush. The ones who ride to rule.

The ones that ride to go the distance.

Zero degree steel belt

Optimized structure with zero degree steel belt for high-quality performance.

Dual-radii cavity profile

Quick to achieve lean angles and outstanding sport handling.

V-oriented grooves

Excellent wet performance and short braking distance.

SPORTS TOURING RADIAL

TRAMPLR -ST

ROAD AHEAD. FUN AHEAD.

DESIGNED ESPECIALLY FOR

Tramplr ST is complemented by the mnemonic of the road ahead which represents street and local riding. The design pushes you to turn the streets into your playground and become the lord of this game.

Open transverse grooves

For better performance on dry and wet roads.

Alternate large shoulder blocks

For confidence at lean.

Staggered central Tread blocks

For balanced contact on street and sandy terrain.

SPORTS TOURING RADIAL

TRAMPLR -XR

**LET ONLY THE COMPASS KNOW
YOUR LOCATION.**

DESIGNED ESPECIALLY FOR

Tramplr XR is complemented by the mnemonic of a compass which represents the nomadic nature of adventure biking and exploration. it inspires you to get lost in the wilderness with your bike and let the compass guide you to find your way.

Alternating tread pattern

For better all terrain capability and greater stability.

Life indicator

To highlight the life of tyre.

W-shaped open grooves

For efficient mud evacuation and hydroplaning.

ALPHA -S1

THRILL UP YOUR BEAST

DESIGNED ESPECIALLY FOR

The riders who aren't slowed down by the weather or the condition of the roads they're traveling. Be it the toughest roads to navigate or the harshest weather to ride in, with the Alpha S1, your journey continues fearlessly.

Zero degree steel belt

Optimized structure with zero degree steel belt for high-quality performance.

V-oriented grooves

Excellent wet performance and short braking distance.

Dual-radii cavity profile

Quick to achieve lean angles and outstanding sport handling.

STREET SPORTS

actiZIP[™] -R5 & F5

ENGINEERED TO EMPOWER TRUE RIDERS

DESIGNED ESPECIALLY FOR

The unstoppable. The invincible. The ones who ride on through every situation. The true riders who seek superior performance every time they set out to go the distance.

Reduced braking distance

New-age tread compound to provide safety wherever you go.

Unmatched sport performance

Rounded cavity profile with an extended shoulder for excellent leaning and sport performance.

Minimized hydroplaning

Continuous zig-zag grooves for improved water channelling.

STREET SPORTS

actiGRIP[™] -R4

REAL TYRES FOR REAL RIDERS

DESIGNED ESPECIALLY FOR

*The daring. The brave. The nomads.
The ones who go where the roads take them,
and where they don't.*

New tread design for better grip

*Increased grip on a wide range of
tarmac and wheather conditions.*

**High resistance to
aquaplaning**

*Better performance with
variable groove connected
to the shoulder.*

STREET SPORTS

actiZIP[™] -R3 & F3

HIGH SPEED, HIGH COMFORT

DESIGNED ESPECIALLY FOR

*The ones who race with the wind. And win.
The unstoppable unfazed by the unfavourable.*

High-speed riding comfort

*Tyre profile and carcass
structure allow for
high-speed driving comfort
at leaning angles.*

Minimized hydroplaning

*Stylish parabolic tread groove for
easy water evacuation.*

STREET SPORTS

actiGRIP[™] -R1

TAKE THE UNPAVED ROADS WITH CONFIDENCE

DESIGNED ESPECIALLY FOR

*9 to 5 deadlines, and weekend getaways to the suburbs,
the Apollo ActiGrip R1 is built for every side of you.*

*Designed to ensure precision, safety and stability in every
journey you make, so you go the distance every time.*

**High resistance to
external damage**

*Damage-resistant turtle
shell tread pattern.*

Maximum grip and tread life

*Wide pentagonal blocks at centre
and angular blocks at shoulder to
ensure stable riding and
self-cleaning tread capabilities.*

All-terrain perfection

*Cornering traction in sand and
muddy terrains.*

STREET SPORTS

actiSTEER[™] -F1 & F7

actiZIP[™] -F2

CONFIDENCE WITH SPECIALIZED STEERING PORTFOLIO
